*Talent Show – “The World Is Our Stage”*

## Show us your talent!

Did your child do an impressive dive into the pool this summer that you caught on camera? How about an amazing goal shot? Pull the videos up and get ready for our upcoming virtual talent show! The world is our stage! We can't wait to see all the talent our Jaindl students have. Due to the virtual nature of the show this year, all talents are welcome! Ideas include scanning and submitting some artwork, sending in a video they created, or perhaps your child would still prefer to do a traditional performance for you to record (less than 2 minutes).

**Registrations for the talent show has now closed. All digital files will be due by March 19** (instructions for submission will be given after registration).

**The completed talent show will be released on April 16<sup>th</sup> at 6:30 PM.**
