## Jaindl PTO Volunteer of the Week

Each week during the school year, we will highlight a volunteer who helped us out in a special way. This week we would like to recognize **Jaclyn Svetcov and her family**. For over 3 years, Jaclyn has served as our VP of Volunteers with boundless positivity and creativity. She is always coming up with new and innovative ways for us to communicate with our parents. She has created and conducted numerous surveys to help the PTO board stay in tune with families and see what the needs and wants of our community are. She works hard to find volunteers and to find just the right place for people who want to be involved. She is exceedingly artistic and has dedicated her time and skills to chairing and decorating for dances and staff appreciation weeks. Just recently, Jaclyn played a huge role in the Jaindl Jingle by planning the winter terrarium project and recruiting, organizing and mobilizing over 25 high school volunteers. Afterward, she reorganized the whole PTO closet so we could keep supplies for next year...all on her birthday! We are grateful that Jaclyn's family not only supports her in her extensive efforts for Jaindl, but they get involved, too! The kids are always helping to set up and clean up, and Chris has volunteered many times, has helped us acquire donations and has set up and run a healthy snacks station at Family Fitness night for several years. Jaclyn and Chris came up with the idea to appreciate a special volunteer each week, but we are happy to turn the table on them this week! We appreciate you, Jaclyn and family, for volunteering your time and hard work to help make Jaindl Elementary a special place!
