

Join us tonight June 5, 2019 for our last PTO Meeting for this school year @ 7 pm in the cafeteria.

Tomorrow **Thursday, June 6th**, the Jaindl Elementary will be collaborating with a science organization to host a Day of Science! This will be an school-wide "in-house" field-trip where the fun comes to us! All grade levels will be participating in this exciting event! Students will be rotating among classrooms to complete various STEM-based activities (slime, rockets, catapults, engineering, chemical reactions, etc) and the day will culminate in a action-packed science assembly with Josh the chemistry guy! That being said, we need many parent volunteers, with clearances, to help us out so if you have not had a chance to volunteer in the school this year then this would be a great day to come and participate. Parents can pack a lunch and plan to spend the day. You will be assisting with the activities and a classroom teacher will be present.

DARE Graduation

DARE Graduation will be Wednesday, June 12th @ 9:15am.

** We are need 2 4th grade parent to assist us with set-up and cleean-up for refreshment after the graduation. If you are interested please contact Stephanie Fritz ssabatino@rcn.com

Volunteer of the Week

Each week during the school year, we will highlight a parent/family volunteer who helped us out in a special way. This week we would like to recognize Ellen Grow. Ellen has been such an incredibly valuable and important member of our team this year as our PTO Board Treasurer. She stepped up in a big way to do this big job and we are so thankful for her help and efficiency. Ellen's role requires her to keep track of all of our PTO finances, which includes charges, deposits, field trip payments, as well as the payment of local businesses and fundraising companies we utilize throughout the year. If you stop and take a moment to realize how large our school is and how many fundraisers and events we offer, you will realize what an asset one dedicated volunteer can be, and don't forget she is doing this all for free! Amazingly, Ellen seems to stay calm and collected despite the sometimes stressful moments we encounter. On top of this, she has even found time to be a room parent and help with other events like the Color Run and Book Fair. We appreciate you Ellen for volunteering your time and hard work to help make Jaundl Elementary a special place!
