

Join us June 5, 2019 for our next PTO Meeting @ 7 pm in the cafeteria.

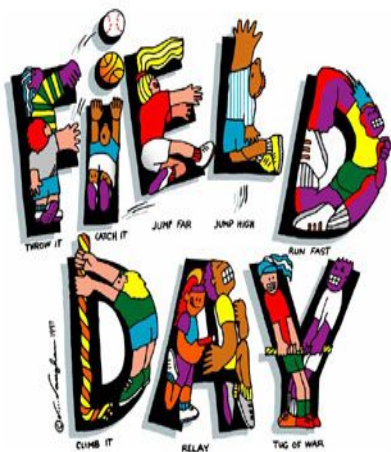

On **Thursday, June 6th**, the Jaindl Elementary will be collaborating with a science organization to host a Day of Science! This will be an school-wide "in-house" field-trip where the fun comes to us! All grade levels will be participating in this exciting event! Students will be rotating among classrooms to complete various STEM-based activities (slime, rockets, catapults, engineering, chemical reactions, etc) and the day will culminate in a action-packed science assembly with Josh the chemistry guy! That being said, we need many parent volunteers, with clearances, to help us out so if you have not had a chance to volunteer in the school this year then this would be a great day to come and participate. Parents can pack a lunch and plan to spend the day. You will be assisting with the activities and a classroom teacher will be present. *****Please sign up by May 28*****

- DARE Graduation- Wednesday, June 12th

3rd Grade Corner

There is a time change for the 3rd Grade Recorder Concert. Instead of beginning at 2:00pm, the concert will be at 10:00 am in the gym.

Volunteer of the Week

Each week during the school year, we will highlight a parent or teacher volunteer who helped us out in a special way. This week we would like to recognize 3rd grade teacher Mrs. Sara Bartos. We want to extend a huge thank you to Mrs. Bartos for her years of dedication and support of the PTO and to Jaindl Elementary. With the culmination of another successful Jamboree, we want to honor her huge help in procuring donations for our silent auction which included restaurants like Yergeys Brewing, Saucony Creek, PJ Whelians, Funk Brewery as well as Baja Beach Tanning. She is so incredibly kind to think of us and ask local businesses around the Lehigh Valley to support Jaindl. Each auction item we have, no matter how big or small, helps to raise money for our students and teachers. This year, with her help, we raised close to 15,000 dollars. This money is used throughout the school year to fund teacher requests, field trips, assemblies, family events, and so much more. We hope to use a large portion to lay a paved walking track for our students which will provide additional exercise and social space during recess and when the grass is wet or snowy. Mrs. Bartos has also had her hand in so many of our family events and fundraisers over the years from being a Bingo caller to selling tickets at the Jamboree. This kind of teamwork is what truly makes Jaindl a standout part of our community. We thank you Mrs. Sara Bartos for volunteering your time and hard work to help make Jaindl Elementary a special place!

Upcoming Events
