

Talent Show!

Our annual Jaindl Talent Show will take place **Friday, Feb 22nd**! Registration forms will be distributed after the holiday break.

Chrissy Andersen and Kevin Frank have kindly offered to co-chair this event again this year, but **we are in search of chairs for next year**. Chrissy and Kevin would love for you to shadow them and learn the process. If you think you might be interested (we need you!), please email us at jaindl.pto.board@gmail.com for more information. Thank you!!

Jaindl PTO Volunteer of the Week

Each week during the school year, we will highlight a volunteer who helped us out in a special way. This week we would like to recognize **Mrs. Kelly Bedics**. Mrs. Bedics has been a Kindergarten teacher at Jaindl since its grand opening and has been an integral part of our PTO's success. As one of our two teacher representatives, Mrs. Bedics has dedicated extra time during the year to attend our bi-monthly evening meetings. There she relays any important information that the school staff would like the parents and families to know. She is the person who truly provides that important parent/teacher connection we have that makes Jaindl such an outstanding place to learn. Whenever we have questions or concerns she is our go-to person and is always quick to respond and help us out in any way she can. Mrs. Bedics has also kindly dedicated time to attending and helping out at some of our PTO sponsored events from being a caller at Bingo night, dancing at the Talent Show, to being our greeter at the will-call table at the Jamboree. Every student knows Mrs. Bedics and amazingly she knows the names of most of them. She is one of the first smiling faces each child sees at the beginning of every year and she proudly walks them into the start of Kindergarten and a great career at Jaindl. We appreciate you Mrs. Bedics for volunteering your time and hard work to help make Jaindl Elementary a special place!

*****Thank you*****

Volunteers...we see you!

Thank you to our new volunteers for jumping right in at the Jairol Jingle and being so patient with a very quick turnaround after school for a very big event. Those doors might not have opened without you! To the "regulars" our community can always count on when we need it most...thank you every single time!!

We can't have these events at school without lots of help. Parents, please keep an eye out for those sign ups that come out for events and join us for a shift if at all possible! If you are not able to sign up, please help by monitoring the kids and keeping them safe in the activity rooms and hallways so that we may continue to enjoy time together as a community and raise funds for our school!
